

# DRIVE EXTENDED PROTECTION PLAN

## Extended Protection for Vehicles Up to 15 Years Old with Less Than 150,000 Miles

### ✓ Engine

(Gas or Diesel): The following internally lubricated parts: pistons, pins and rings, connecting rods and bearings, crankshaft and main bearings, push rods, valves, springs, replaceable guides, lifters, rocker arms, shafts and bushings, timing gear, guides, chain, tensioners and retainers, eccentric shaft, oil pump, intake manifolds, cylinder head gaskets, engine mounts and cushions, engine torque strut, harmonic balancer, flywheel (flexplate) and flywheel ring gear, all pulleys. All lubricated internal parts of the vehicle manufacturer installed turbocharger or supercharger.

### ✓ Transmission

(Automatic & Standard): All internally lubricated parts, torque converter, vacuum modulator, computer modules and solenoids, transmission mounts and internal linkage.

### ✓ Transfer Case

(4 x 4 or AWD): All internally lubricated parts within the Transfer Unit including: bearings, bushings, sprockets, chains, sleeves, and gears.

### ✓ Cooling

Radiator, fan, fan clutch and water pump.

### ✓ Drive Axle

(Front and Rear Wheel Drive): All internally lubricated parts contained within the housing: axle shafts, constant velocity joints (CV joints unless boot is damaged or missing), universal joints, flexible joints, drive shafts, locking hubs, locking rings, supports, retainer and bearings.

### ✓ Air Conditioning

Compressor, condenser, clutch pulley, clutch coils, evaporator core, accumulator, receiver/dryer, orifice, expansion valve, serpentine belt tensioner, temperature control unit, blower motor, air door actuators and motors.

### ✓ Electrical

Alternator, voltage regulator, starter motor, starter solenoid, ignition switch and locking mechanism unless unavailable separately and/or only available as part of steering column, front and rear wiper motors, headlamp switch, turn signal switch, cruise control transducer, washer pump and switch, rear defogger switch, heater/AC blower switch, electric seat motors as they apply to seat positioning (excludes lumbar, side supports, and airbags), electric window motors, power antenna motors, power door lock actuator, window regulators, and wiring harnesses for listed covered components only.

### ✓ Fuel System

Fuel delivery pump, fuel injection pump (except on diesels), and metal fuel delivery lines.

### ✓ Brakes

Master cylinder, power assist booster, vacuum assist booster pump, wheel cylinders, combination valves, disc calipers, self-adjusters and actuators.

### ✓ Power Steering

All internally lubricated parts within the steering gear housing including power steering pump, main and intermediate shafts, couplings, pitman arm, idler arm, tie rod ends and center link. The steering gear housing is covered if the damage is caused by the failure of an internally lubricated part.

### ✓ Suspension

Upper and lower control radius, thrust and trailing arms, shafts, upper and lower ball joints, steering knuckles, stabilizer shaft, linkage, track bar, kingpin, spindle and spindle supports, torsion bars, coil and leaf springs, and wheel bearings.

### ✓ Seals and Gaskets

Seals and Gaskets are covered if the Coverage Starting Mileage, as indicated on the Registration Page, is less than 75,000 miles. If the Coverage Starting Mileage is between 75,000 and 125,000 miles then seals, sealing boots (unless ripped or torn), and gaskets are only covered if seals and gaskets coverage has been separately purchased. If the Coverage Starting Mileage is greater than 125,000 miles, the vehicle is ineligible for seals and gaskets coverage. Seals and Gaskets are covered in conjunction with a covered repair. Seals and Gaskets Coverage pertains to Covered Components only.

### ✓ Enhanced Labor Rate

### Ask About Available Options:

Seals & Gaskets • Entertainment Package • Commercial Use  
Convertible Top • Enhanced Labor Rate • Unlimited Mileage  
Sensors Upgrade • Suspension Upgrade • Heavy-Duty Truck  
EV-HYBRID (includes coverage for batteries) • Diesel Fuel Systems

\*For specific details of the plan, please refer to the vehicle service contract. Note that exclusions and deductibles may apply. Benefits such as rental cars and qualifying breakdown claims can vary based on the vehicle's age, mileage, preexisting conditions, and the chosen plan. All claims must be pre-authorized before repairs are made. Parts of a like kind and quality may be used. See vehicle service contract for details. Vehicle service contracts are provided by Freedom Warranty LLC, a licensed obligor and bonded service contract provider in the U.S., including the State of Texas.
