Freedom Warranty's Ride Program offers a PowerSports Service Contract for New and Used Vehicles and Personal Watercraft.

You'll never pay for another covered repair.

When you're ready for adventure, it's time to ride. There are hundreds of things that can go wrong with your equipment and spoil the fun. Keeping your vehicle or personal watercraft in good shape with proper maintenance is an investment in staying on (or off) the road. Mechanical breakdowns can be expensive. A Freedom Warranty Extended Service Contract covers repairs of many common issues, and gets you back up and running. Ask your dealer about adding Freedom Warranty coverage for protection you can count on.
